INTRODUCTION

This Information Statement is being furnished to the stockholders of Grow Capital, Inc., a Nevada corporation (the “Company”), to advise them of the corporate action described herein, which has been authorized by the written consent of stockholders holding a majority of the shares entitled to vote on such action (“Voting Stock”), in accordance with the requirements of the Nevada Revised Statutes.

This Information Statement will first be mailed to stockholders on or about August 13, 2019, and is being furnished for informational purposes only.

Our board of directors (the “Board”) has determined that the close of business on July 26, 2019, was the record date (“Record Date”) for the stockholders entitled to notice of the actions authorizing the amendment and restatement of our articles of incorporation to increase our authorized capital to 550,000,000 shares (the “Share Increase”), consisting of 500,000,000 shares of common stock, par value \$0.001 (“Common Stock”) and 50,000,000 shares of preferred stock, par value \$0.001 (“Preferred Stock”). A copy of the Amended and Restated Articles of Incorporation, in substantially the form that will be filed with the Nevada Secretary of State, is attached hereto as Appendix A (the “A&R Articles”). THE SHARE INCREASE

The Board and our stockholders have approved the A&R Articles to effect the Share Increase. The A&R Articles will become effective twenty days after the mailing of this Information Statement and any other applicable regulatory requirements have been met.

General Background

As of the Record Date, pursuant to our articles of incorporation as amended to date, we had the authority to issue 175,000,000 shares of Common Stock, of which 171,673,311 shares were issued and outstanding. We also had authority to issue 5,000,000 shares of Preferred Stock of which 5,000,000 shares have been issued and none of which remain outstanding.

Principal Motivation for the Share Increase

We have adopted a business plan focused on shifting our strategy away from the cannabis industry and into the financial technology (“FinTech”) sector and related sectors. In connection with this strategy, we have hired a new Chief Executive Officer (“CEO”) and Chief Financial Officer (“CFO”) and appointed a new chairman of the Board, all of whom have significant experience in the FinTech sector. We intend to acquire FinTech companies we believe are appropriately valued with strong growth prospects due to a clear niche and strong leadership and intend to use our experience and understanding of the FinTech sector and access to the public markets to help our acquisitions grow. We intend to use shares of our Common Stock as consideration for the acquisitions.

Currently, we do not currently have enough authorized and unissued shares of Common Stock available to implement our business strategy. The Share Increase is intended to provide us with enough authorized and unissued shares of Common Stock to acquire FinTech companies we believe fit our business strategy. Additionally, we have primarily relied on the sale of shares of Common Stock in order to raise funds to operate our business, and use share issuances as the primary way in which we compensate our directors, officers and consultants. Further, the increase in the authorized shares of Preferred Stock will also provide us with greater flexibility to raise funds to implement our business strategy.

Following the Share Increase, we will have approximately 328,000,000 authorized but unissued shares of Common Stock and 45,000,000 authorized but unissued shares of Preferred Stock. Upon the completion of the Share Increase, we intend to issue shares of our Common Stock to the former shareholders of Bombshell Technologies, Inc. (“Bombshell”) as further consideration for the acquisition of Bombshell, which closed on July 23, 2019 (the “Closing”), as previously disclosed in our Current Reports on Form 8-K filed with the Securities and Exchange Commission (“SEC”) on June 27, 2019 and July 24, 2019. The former shareholders of Bombshell received 33,000,000 shares at the Closing in exchange for their ownership interests in Bombshell, and they will receive an additional 77,675,328 shares of Common Stock upon effectiveness of the Share Increase. Additionally, the former shareholders of Bombshell will also be eligible to receive earn-out consideration of up to an additional 36,769,215 shares of Common Stock (the “Earn-out Shares”) earnable in tranches of 12,256,405 shares of Common

Stock in each of the second, third and fourth years after the Closing, based on whether Bombshell is able to meet certain Earnings Before Interest and Taxes thresholds in each year.

Additional Reasons for the Share Increase

We will continue to require additional financing in order to implement our business strategy, and we intend to continue to seek financing through the sale of our equity securities through private placements and other methods. Until the Share Increase becomes effective, we do not have sufficient shares to enable us to pursue private placements or other capital-raising transactions.

Additionally, the Share Increase will provide us with the option to issue shares of Common Stock to compensate our directors, officers, consultants and other vendors and suppliers instead of making cash payments. This will allow us to conserve our capital resources while we implement our business strategy.

Potential Anti-takeover and Dilutive Effect

Although the increased proportion of unissued authorized shares to issued shares could, under certain circumstances, have an anti-takeover effect (for example, by permitting issuances that would dilute the stock ownership of a person seeking to effect a change in the composition of the Board or contemplating a tender offer or other transaction for the combination of us with another entity), the increase in the authorized shares of Common Stock and Preferred Stock is not part of a plan to prevent a takeover. Nevertheless, management could use the additional shares that will be available following the Share Increase to resist or frustrate a third-party transaction.

After the Share Increase becomes effective, generally, no stockholder approval would be necessary for the issuance of all or any portion of the additional shares of Common Stock or Preferred Stock unless required by law or any rules or regulations to which we are subject.

Depending upon the consideration per share received by us for any subsequent issuance of Common Stock or Preferred Stock, such issuance could have a dilutive effect on those stockholders who paid a higher consideration per share for their shares. Also, future issuances of Common Stock and Preferred Stock will increase the number of outstanding shares, thereby decreasing the percentage ownership (for voting, distributions, and all other purposes) represented by existing shares of Common Stock. The availability for issuance of the additional shares of Common Stock or Preferred Stock may be viewed as having the effect of discouraging an unsolicited attempt by another person or entity to acquire control of us. Although the Board has no present intention of doing so, our authorized but unissued Common Stock could be issued in one or more transactions that would make a takeover of us more difficult or costly and, therefore, less likely. Holders of Common Stock do not have any preemptive rights to acquire any additional securities issued by us.

**INTEREST OF CERTAIN PERSONS IN OR
IN OPPOSITION TO MATTERS TO BE ACTED UPON**

Upon the Share Increase, each will receive the number of shares of Common Stock set forth in the following table in exchange for such interests and will also receive the listed percentage of Earn-out Shares earned, if any.

Name of Bombshell Owner	Shares of Common Stock	Percent of Earn-out Shares
Ambiguous Holdings LLC(1)	5,825,824	7.5%

Journey, Home 4 Teens LLC(2)	9,709,126	12.5%
Zeake LLC(3)	31,069,898	40.0%

(1) Joel Bonnette is the sole owner of Strategery, LLC and the owner of 50% of the membership interests of Ambiguous Holdings LLC. He is the Manager of both entities.

(2) Terry Kennedy is the Manager and indirect beneficial owner of AYG LLC and Journey, Home 4 Teens LLC.

(3) Jonathan Bonnette is the Manager and owner of 50% of the membership interests of Zeake LLC. Terry J. Kennedy Asset Protection Trust owns 50% of the membership interests of Zeake LLC. Terry Kennedy disclaims beneficial ownership of Zeake LLC.

Other than as set forth above, none of the persons who have served as our officers or directors since the beginning of our last fiscal year, or any associates of such persons, have any substantial interest, direct or indirect, in the A&R Articles, other than the interest held by such persons through their respective stock ownership of the shares of our capital stock set forth in the section entitled “Voting Securities and Principal Holders Thereof” above.
