

LOST SECURITIES FORM LETTER

Completing this form is the first step towards replacing a lost certificate. By submitting this form you are authorizing Colonial Stock Transfer to begin the replacement process by placing a stop on your certificate and filing an X-17 form with the Securities Information Center. There is an initial stop placement fee of \$50. Once the stop has been placed, we will send additional instructions and insurance bond affidavits needed to replace your certificate. Additional processing and bond fees will be due at that time. Shareholders that authorize Colonial Stock Transfer to begin the replacement process and subsequently find their lost certificate before fully replacing it will be subject to a \$50 recovery-filing fee to reactivate the stock.
